### DAILY BRIEF

\*Cyprus: The widening rift between Makarios and the Greek Government may hinder the solution of the Cyprus problem.

Makarios has shown his desire to be independent of Greek support in appealing to both the USSR and the UAR for military aid, and in failing to notify the Greek Government of his plans to attack in the Kokkina-Mansoura area. Many officials of the Cypriot government still favor enosis, but supported Makarios' requests because they did not feel Greek reaction to the Turkish air attacks was strong enough.

25X1

The Greeks may now feel they can no longer exercise effective control over Makarios.

25X1  
25X1

Greece has not always been able to control Makarios, but the continuing loss of Greek influence may lead to Makarios' assuming even more extreme positions.
